1. The Coronavirus Aid, Relief, and Economic Security Act (CARES) temporarily suspends a two percent reduction in reimbursements paid to Medicare service providers that went into effect in 2013. Increased reimbursement rates will be in effect from May 1, 2020 through December 31, 2020.
2. The Coronavirus Aid, Relief, and Economic Security Act (CARES) expanded unemployment insurance benefits provided through three programs. The Federal Pandemic Unemployment Compensation (PUC) program provides a temporary weekly supplemental payment of \$600 for people receiving unemployment benefits. The Pandemic Unemployment Assistance (PUA) program provides temporary unemployment benefits to people who are not usually eligible for unemployment insurance benefits. The Pandemic Emergency Unemployment Compensation (PEUC) program provides a temporary extension of unemployment benefits for 13 weeks to people who exhausted all available regular and extended unemployment benefits. For more information, see "[How will the expansion of unemployment benefits in response to the COVID-19 pandemic be recorded in the NIPAs?](#)"
3. The Coronavirus Aid, Relief, and Economic Security Act (CARES) provides \$300 billion in direct support economic impact payments to individuals. For more information, see "[How are the economic impact payments for individuals authorized by the CARES Act of 2020 recorded in the NIPAs?](#)".
4. The Coronavirus Aid, Relief, and Economic Security Act (CARES) provides forgivable loans to help small businesses and nonprofit institutions make payroll and cover other expenses. It also provides funding to reimburse private lending institutions for the costs of administering these loans. For more information, see "[How does the Paycheck Protection Program of 2020 impact the national income and product accounts \(NIPAs\)?](#)".
5. The Coronavirus Aid, Relief, and Economic Security Act (CARES) provides funds, distributed by the Department of Health and Human Services, for hospitals and health care providers on the front lines of the coronavirus response. This funding supports health care-related expenses or lost revenue attributable to COVID-19 and ensures uninsured Americans can get treatment for COVID-19. In the NIPAs, funds provided to nonprofit hospitals are recorded as social benefits.
6. The Coronavirus Aid, Relief, and Economic Security Act (CARES) provides direct support to farmers and ranchers where prices and market supply chains have been impacted by the coronavirus pandemic.

Data on this table will be superseded by updated estimates. Regional estimates were controlled to the 2nd NIPA estimate released [August 27, 2020](#).
